TUSCOLA COUNTY EMERGENCY NEEDS FUND

GRANT GUIDELINES

The Community Foundation's mission is ***“to make Tuscola County a better place to live by maintaining a permanent philanthropic endowment base which will assist and fund a variety of efforts, turning needs and dreams into realities.”***

Funding is restricted to nonprofit organizations, churches and municipalities.

Currently, the greater Tuscola County community is facing some unprecedented challenges. TCCF needs to prioritize how we use the emergency needs funds available to insure we are serving Tuscola County to the best of our abilities. Requests should clearly identify the unmet need that will be addressed as a result of the COVID-19 pandemic.

At this time, preference will be given to requests from local nonprofits, churches and/or units of government that address the basic needs of residents (food, clothing and shelter). Other requests that address needs created by the current pandemic will be considered after requests addressing the basic needs of residents have been fulfilled.

A strong application will demonstrate unmet needs due to the current pandemic, the geographic area being served, and the number of people you anticipate impacting along with any other potential funding sources.

Note: *No funding will be provided for operation budgets.*
