ABOUT FUTURE YOUTH INVOLVEMENT

Future Youth Involvement (FYI) is the youth advisory council of the Foundation (TCCF). Student members participate from all nine Tuscola Intermediate School District schools and meet monthly during the school year. Students learn about running a small organization and philanthropy. Some of the principle objectives for the group are conducting a triennial needs assessment of youth in Tuscola County, writing a request for proposal, making grants, fundraising and completing a community service project. FYI now boasts over 300 alumni!

TCCF HISTORY

In November of 1996, nine community-minded volunteers, Richard Ransford, Robert Tuckey, Susan Walker, Sue Ransford, Harry Schubel, Richard Donahue, Linda Marshall, Richard Kern, and L. James White, from the Caro and Cass City areas, met to determine the requirements to establish a community foundation. Part of their motivation was the challenge issued by the W. K. Kellogg Foundation to match $1.00 (up to $1,000,000) for every $2.00 raised by community foundations. A grant application was submitted by April 1, 1997 and a Youth Advisory Committee (YAC) established. Thus began the TCCF, which was incorporated in 1997. The first YAC grants were awarded in September of 1999.

After a period of discussions, in early 1998, the trustees of the William A. and Ruth Janks Foundation and the Claude D. and Etta H. Andrews Foundation agreed to terminate their private foundation status and become part of the new Tuscola County Community Foundation (TCCF). With all of the requirements fulfilled, a Challenge Youth Project Grant from the W. K. Kellogg Foundation was received by TCCF in two installments - $900,000 in November of 1998 and $100,000 in August of 1999.

A volunteer Board of Trustees is entirely responsible for the governance of TCCF. They establish policies and make final decisions on all investments and grants. This committed group broadly represents the community-at-large of Tuscola County. They are leaders in various professions such as finance, business, law and education all of which serves to benefit the Foundation.

All gifts to the Foundation become part of a lasting endowment. The principal is expertly and responsibly managed; only available income is used to fund projects according to the wishes of donors. Funds are invested through financial managers in several balanced portfolios. The performance of investment managers is reviewed regularly by the Foundation’s Finance Committee. Additionally, the Foundation’s financial position is evaluated on an annual basis by an independent audit. Thanks to these safeguards, donors can be assured that their legacy contribution will be preserved and earnings will be maximized over time forever!

During 2019, the Tuscola County Community Foundation’s assets increased by over $2 million dollars due to the generosity of local community members and a 22% gain in the stock market.

For the year, the Foundation continued to experience positive signs of growth with contributions of over $800,000, investment income of more than $400,000, and market gains exceeding $1.7 million dollars. With contributions and investment income, the Foundation was able to grant out over $650,000 toward community projects and student scholarships. Office administration continued with highly effective and efficient use of resources.

Overall, for 2019, the Foundation continued its mission of supporting local communities and making Tuscola County a better place to live, while adding to its endowment base and continuing to turn needs and dreams into realities.
Denise (Dee) Harrington of Caro and Amy Peters of Cass City were recognized for their years of dedicated service as Board of Trustee members for the Tuscola County Community Foundation (TCCF) at the Annual Meeting in 2019. They each served on the Board as a Trustee for two terms, a full 8 years. Both Harrington and Peters made significant contributions assisting the Foundation in developing policies and procedures to enhance the operations of the Foundation, and served on the Publicity Committee. Peters also served on the Grant & Scholarship Committee. Both gave generously of their time.

The TCCF Board extends sincere thanks to both of them for their many years of service to the organization and for continuing to make Tuscola County a better place to live!

ABOUT THE TUSCOLA COUNTY COMMUNITY FOUNDATION

The Tuscola County Community Foundation (TCCF) is a tax exempt, publicly supported philanthropic organization established and operated as a collection of permanently endowed funds for the long-term benefit of Tuscola County. We operate as a nationally accredited and IRS certified 501(c)(3) organization.

A community foundation seeks out donor contributions and functions as a grant making organization, supporting various charitable activities and community needs. As a grant making organization, the TCCF also awards scholarships annually to students applying for post-secondary education who meet the donor’s criteria.

The TCCF was established in 1997 and held assets valued at just over $14 million at the end of 2019. Over $5.5 million has been distributed to Tuscola County communities through grant and scholarship awards to organizations and individuals since TCCF’s beginning.

What is an Endowment Fund?
An endowment fund is a permanent Fund in which the principal remains intact and the earnings provide resources for charitable purposes.

Create Your Own Fund
Just as no two people are the same, no two Funds are the same. Each has its own unique purpose and characteristics. Each Fund can provide a perfect memorial or honoring opportunity for donors. TCCF recognizes that each donor has individual financial considerations and charitable wishes. TCCF knows that the right gift method can make the difference in your ability to accomplish your goals. TCCF strives to be flexible in the types of assets that used to open funds. Cash, stock, life insurance and bequests are just a few of the ways funds can be established.
