The Tuscola County Community Foundation Youth Advisory Committee which we call Future Youth Involvement is a group of dynamic young people who positively impact the youth of Tuscola County by identifying needs, making informed decisions, developing and distributing funds and volunteering within our community.

The Youth Advisory Committee volunteers are made up of 9th to 12th grade students from throughout Tuscola County. We strive to have every high school represented, and students who are home-schooled are also included in the mix! The group meets regularly once a month for approximately 2 hours and volunteers for projects and/or programs as needed. New members are always welcome, and applications for membership are accepted in May of each year.
