TCCF HISTORY

In November of 1996, nine community-minded volunteers, Richard Ransford, Robert Tuckey, Susan Walker, Sue Ransford, Harry Schubel, Richard Donahue, Linda Marshall, Richard Kern, and L. James White, from the Caro and Cass City areas, met to determine the requirements to establish a community foundation. Part of their motivation was the challenge issued by the W. K. Kellogg Foundation to match \$1.00 (up to \$1,000,000) for every \$2.00 raised by community foundations. A grant application was submitted by April 1, 1997 and a Youth Advisory Committee (YAC) established. Thus began the TCCF, which was incorporated in 1997. The first YAC grants were awarded in September of 1999.

After a period of discussions, in early 1998, the trustees of the William A. and Ruth Janks Foundation and the Claude D. and Etta H. Andrews Foundation agreed to terminate their private foundation status and become part of the new Tuscola County Community Foundation (TCCF). With all of the requirements fulfilled, a Challenge Youth Project Grant from the W. K. Kellogg Foundation was received by TCCF in two installments - \$900,000 in November of 1998 and \$100,000 in August of 1999.

A volunteer Board of Trustees is entirely responsible for the governance of TCCF. They establish policies and make final decisions on all investments and grants. This committed group broadly represents the community-at-large of Tuscola County. They are leaders in various professions such as finance, business, law and education, all of which serves to benefit the Foundation.

All gifts to the Foundation become part of a lasting endowment. The principal is expertly and responsibly managed; only available income is used to fund projects according to the wishes of donors. Funds are invested through financial managers in several balanced portfolios. The performance of investment managers is reviewed regularly by the Foundation's Finance Committee. Additionally, the Foundation's financial position is evaluated on an annual basis by an independent audit. Thanks to these safeguards, donors can be assured that their legacy contribution will be preserved and earnings will be maximized over time forever!

ABOUT FUTURE YOUTH INVOLVEMENT

Future Youth Involvement (FYI) is the youth advisory council of the Foundation (TCCF). Student members participate from all nine Tuscola Intermediate School District schools and meet monthly during the school year. Students learn about running a small organization and philanthropy. Some of the principle objectives for the group are conducting a triennial needs assessment of youth in Tuscola County, writing a request for proposal, making grants, fundraising and completing a community service project. FYI now boasts over 300 alumni!

RECOGNIZING BOARD MEMBERS

Tim Lyons of Deford and Bob Worth of Millington were recognized for their years of service as members of the Board of Trustees of the Tuscola County Community Foundation (TCCF). Both Mr. Lyons and Mr. Worth served on the TCCF Board of Trustees for eight years.

Tim Lyons

Robert Worth

Mr. Lyons served TCCF as President of the Board of Trustees for four years providing steady leadership. He also served on the Finance Committee and continues to serve on that Committee. Mr. Worth served two years as secretary as well as on the Fund Development, Grant and Publicity Committees offering valuable input to move TCCF forward.

The TCCF Board of Trustees will miss their combined 16 years of service to TCCF and making Tuscola County a better place to live!

The Tuscola County Community Foundation's assets increased by over 1.8 million dollars in 2021 due to the generosity of the local community.

The Foundation was able to grant out over \$635,000 towards community projects and student scholarships. Administrative costs continued to remain low due to the efficient and effective use of resources.

Overall, The Foundation continued its mission of supporting local communities and making Tuscola County a better place to live, while adding to its endowment base and continuing to turn needs and dreams into realities.

MESSAGE FROM THE BOARD CHAIR

The kindness of our Tuscola County communities was on display again in 2021! Even as the community was navigating challenging times donors stepped up and increased their giving allowing the Tuscola County Community Foundation (TCCF) to increase the amount of grants awarded to our community partners. We are happy to share this information with you in this year's Annual Report.

TCCF's donor giving has improved the quality of life in communities across Tuscola County through grantmaking to schools, libraries, fire departments, parks, museums and other organizations. We hope that you will see a project that has impacted your community as you read through this report.

Gratefully,
Mike Damm, Board Chair

ABOUT THE TUSCOLA COUNTY COMMUNITY FOUNDATION

The Tuscola County Community Foundation (TCCF) is a tax exempt, publicly supported philanthropic organization established and operated as a collection of permanently endowed funds for the long-term benefit of Tuscola County. We operate as a nationally accredited and IRS certified 501(c)(3) organization.

A community foundation seeks out donor contributions and functions as a grant making organization, supporting various charitable activities and community needs. As a grant making organization, the TCCF also awards scholarships annually to students applying for post-secondary education who meet the donor's criteria.

The TCCF was established in 1997 and held assets valued at just over \$17.5 million at the end of 2021. Over \$6.6 million has been distributed to Tuscola County communities through grant and scholarship awards to organizations and individuals since TCCF's beginning.

What is an Endowment Fund?

An endowment fund is a permanent fund in which the principal remains intact and the earnings provide resources for charitable purposes.

Create Your Own Fund

Just as no two people are the same, no two Funds are the same. Each has its own unique purpose and characteristics. Each Fund can provide a perfect memorial or honoring opportunity for donors. TCCF recognizes that each donor has individual financial considerations and charitable wishes. TCCF knows that the right gift method can make the difference in your ability to accomplish your goals. TCCF strives to be flexible in the types of assets that used to open funds. Cash, stock, life insurance and bequests are just a few of the ways funds can be established.
