By L. James White

The Lloyd and Lula White Memorial Scholarship was established as a tribute to my grandparents.

Lloyd White was born at Juniata on August 3, 1897. Lloyd was one of Lewis and Sylvia Kilbourn White's 6 children.

Lula Dickerson White was born in Rich Township on August 23, 1895. Lula was one of William and Janet Andison Dickerson's 8 children.

Lloyd and Lula were united in marriage on February 2, 1915. The couple were lifelong residents of the Mayville area where they raised their 4 children. The White's loved a very simple farm life instilling a strong work ethic, character and a sense of belonging into each of their children. Lloyd was active in a farming life even as his sons became more involved in the farming operation. The boy's involvement allowed my grandparents to move into town and pursue other interests. However, farming was always grandpa's first love as you could always find him at one of the boy's farms during growing season. I was Lloyd's second oldest grandson. I remember farmers "exchanging help," that was when the farmers in the neighborhood would follow the threshing machine from farm to farm for the harvest. Pitching in and helping with whatever needed to be done was important to my grandparents and has been a model that I have tried to live and raise my family by.

My family and I would like this scholarship to help a graduating Mayville student pursue his or her farm community values and aspirations.

If this is a nice fit for your goals, we will consider you for this scholarship.
